

## Sources of Permitted Fertilisers

Statutory information is for guidance only and is correct at time of going to print

Please Note: Virtually all the fertilisers listed below are restricted and need approval from the Certification Office before use. See Section 7 of the Standards. If in doubt please call the Certification Office on 01939 291800 or fax 01939 291250. **This list is not definitive.** The information has been provided by the companies listed and OF&G cannot accept any responsibility or liability .

Note: Blood meal and bone meal are Restricted under the BSE Control Measures for use only in propagating composts and in greenhouse crops.
